My info is from deeds & probate papers of Wm. Yarbrough, Sr. Wm. C. left an unrecorded will when he went off for Mex. War. but they had moved to Texas by 1849. The two sons he mentioned in the unrecorded will were by his first wife. He and Catherine had a family after they moved to Texas. The other Boyds around Livingston and Boyd were all from S.C. So far I haven't made a connection with them. It is sometimes mixed with the two John's. Do you happen to know if there are any records of the old Methodist Church there in Livingston. I believe it is about a block from the Courthouse and may now be a Baptist Church. That was who md Wm and Catherine so I thought if there are any records to be located they may have some Boyd info. Thanks! Velma
